TITLE: Big Picture

TOPIC: Love and The Way Forward (The Way Forward Paragraphs 1, 2, and 5)

### Letra en Español

Te canto a ti  
Esta canción de amor  
Toma este amor  
Y guárdalo en tu corazón

Es un regalo para ti  
Como lo fue para mí  
Y lo recibí dentro de mi alma

Este amor me está usando  
Para que yo alce mi voz  
Para que tu escuches  
Y por amor tu luches

### Lyrics in English

I sing to you  
This song of love  
Take this love  
And keep it in your heart

A gift to you  
As it was a gift to me  
It was given to my soul

Love's using me  
For me to use my voice  
For you to hear  
For you to feel...

Love's using us  
For us to use our voice  
For us to hear  
For us to feel love

We will find solutions  
Together we shall make a contribution  
For present and future generations  
Reason for a global celebration  
I'm filled with determination

Let's make a contribution  
It's time to move  
We've got to move now  
We must move now  
We gotta move right now
