

TRACK #: 6

TITLE: En Este Día

TOPIC: Social and Economic Justice (Principles 9, 9a, 9b, and 9c)

Letra en Español

Un lugar seguro para vivir
Agua limpia para tomar
Algo de comer
Para todos

Justicia
Eso empieza
Por deshacernos
De la pobreza
¡Que todos coman rico!

Porque en este día
Y cada día
Merecemos ser felices
Merecemos vivir

Lyrics in English

A safe place to live
Fresh clean water to drink
Food to eat
For everyone

Because justice
I tell you, it starts
By getting rid
Of poverty
No more people going hungry!

Because on this day
And every day
We deserve to be happy
We all deserve to live

If I have some water, I will share it with you
If you've got food to eat, won't you please share it with me?
If we've got schools, then let us welcome everyone
So we may learn to share all this world
