The Earth Charter and the Global Pact for the Environment

Earth Charter
- Ethical framework;
- Legal character (M.E. Febres);
- Soft law (due to progressive criteria of new forms of legitimacy);
- Soi generic legal document (of its own kind, unique) combining features of legal, ethical, moral norms.

Global Pact for the Environment
- Principles of international environmental law;
- Identification of gaps in international environmental law

Renew commitments
Fulfil existing obligations
International legally binding instrument

Including the SDGs, the Paris Agreement and other instruments
Collective will towards environmental protection, awareness raising, cooperation, information exchange
Traditional international law instruments – dispute settlement, environmental law (including the Global Pact) – facilitatory character (non-punitive, non-adversarial)
