

# Emerging Earth Leaders

Earth Charter  
INTERNATIONAL

## Global Training Program for Teens 14-16 Years Old

### Overview

Earth Charter International's "Emerging Earth Leaders" program will enhance your skills and knowledge to help you become an effective sustainability leader with the ability to impact future generations.

### Course Objectives

This online training provides a space for you and fellow participants to foster communication, inner-development and leadership skills associated with agents of change.

### The Sessions

This Global Training Program works around your busy schedule. This 7-week course includes 6 asynchronous modules (2-hours per week) and 7 live sessions with course facilitators (1 hour per week).

Contribute to a  
more just, sustainable  
and peaceful  
world!
